Re: Skip Wobig

To Whom It May Concern:

I have had the privilege of knowing and working with Skip Wobig for the last six years. During that time I have been on several estimating teams with Skip on projects ranging from \$ 500,000 to over \$ 100,000,000. I have found Skip to be hard working, conscientious, accurate and detail oriented with regard to his estimating activities.

His loyalty to his employer, co-workers and friends has been without question and he is always willing to help out when a crisis arises. I would not hesitate to work with Skip on any project or employ his services when the need exists.

Please feel free to contact me at any time if you need additional information.

Sincerely,
