FLEMING CONSTRUCTION CONSULTING SERVICES

October 7, 2003

To Whom it may Concern,

I am pleased to provide this letter of recommendation on behalf of Skip Wobig and if further discussion is required on its contents, would be willing to discuss it further if needed.

I have known Skip for over 25 years in his Professional capacity and have used his services professionally when I was a Professional Consultant when conducting construction investigations involving true and accurate cost of the work. Skip is one of the few individuals I know who has a through grasp of the knowledge of true conceptual estimating, and a complete knowledge of the true cost of the work.

Further, during this 25 years I have also had the opportunity of working with Skip directly on two separate occasions in that 25 years when we were both employees of the same company. I found Skip to be a very loyal person to the companies we worked for and he always displayed a keen sense of teamwork and dedication to the project at hand.

I believe you will not find a more dedicated and loyal person to assist you in this area of our industry.

Yours truly,

David F. Fleming
